Join a Class as a Student (Android and iOS)

Students who already have an account can add or join additional Classes.

1. Tap "Classes" on the bottom navigation toolbar.
2. Tap "My Classes" on the right side of the upper panel in order to go to the list of your classes.
3. Tap the Plus symbol (+) on the right side.
4. Select **"Join with Code" (iOS)**
5. Enter the "Class Code" and tap "**Join**" or **"OK."**
